(i)	Ordinary/Mofussil Services including City/Town Services	6.00
(ii)	Fast Passenger	8.00
(iii)	Super Fast Services	12.00
(iv)	Super Express Services	17.00
(v)	Super Deluxe/Semi Sleeper Services	25.00
(vi)	Luxury/Hi-tech. Services/Air conditioned	35.00

In respect of other class of service the minimum charge will be applicable to the distance prevailing against the pre-revised rates.

F. Fixation of Fares

In respect of routes where fare stages have already been fixed, such fare stages shall be retained without changes. However, for the purpose of calculation the distance between two stages will be taken generally as 2.5 kilometres for Ordinary/Mofussil/City/City Fast Passenger/Town Services, since the fare stages are generally fixed not only on the consideration of distance, but also taking into consideration factors like importance of places and convenience of passengers.

G. Calculation of Fares

Over and above the minimum distance, fares will be calculated at the existing PER KM. rate rounding off the fraction to the nearest rupee, to the lower rupee when

the fraction is between 1 and 49 paise and to the next higher rupee when the fraction is between 50 and 99 paise. The PER KM, rates are to be applied over and above minimum fare and excluding the maximum distance that can be travelled in a minimum fare. For example, for a distance of 10 k.ms, the minimum fare of Rs. 6.00 for a distance of first 5Kms. will apply and for the rest of the distance i.e., 5 more kms. the existing rate of 58 paise per Km. will apply. Thus the fare for the second 5 Kms. will be Rs. 2.90. This shall be added to the minimum fare of Rs. 6.00 and the total Rs. 8.90 shall be rounded to Rs. 9.00. In the case of Fast Passenger Service and Super Fast Service, over and above the minimum fare per Km. fare shall be charged at the revised rate rounding the fraction to next higher rupee. In the case of Super Express, over and above the minimum fare per K.M. fare at the revised rate shall be rounded off to the next higher multiple of Rs. 5/- and in respect of all other higher classes of service over and above the minimum fare, per k.m. fare at the revised rate will be rounded off to the next higher multiple of Rs.10/-

H. Fare during approved Festival Occasions

In respect of services operated in connection with the festival occasions mentioned in the schedule, the operators may realise 30% of the rates in addition to the rates of fares fixed for the respective class of services.

I. Students Concession

(i) Full time regular students not engaged in any other calling or profession studying in any recognised educational institution for a recognised course and full time students not engaged in any other calling or profession studying privately in any institution and who have registered their names in any of the Universities in India as a student for a particular course or private study admitted by a University in Kerala, travelling in a stage carriage for a distance not exceeding 40 Kilometres for a single journey for the purpose of attending classes, from residence to institution shall be eligible for concession in City/Town and Ordinary Mofussil Services and Limited Stop Ordinary Services during the entire period of such course including all holidays.
